

FLASH FROM CHURCH!

July 6, 2018

Sunday Worship: July 8 at 9:00 AM

Throughout the summer, we will have a combined Worship Service with the Ivoryton Congregational Church. Rev. John Van Epps will lead the service.

One of the goals for this summer is to update our Membership Database and ultimately, create an updated Membership Directory.

All members should have received an email with your family's membership information. If you have not done so, please take a moment to review the information and reply with any changes. If you have not received an email regarding membership information, let the office know.

Save the Date: The Big Band Concert is Saturday July 28 with a raindate of Sunday July 29.

We are in need of people who can give rides to Sunday Worship for those who live in a local group home as well volunteers to help staff our Thrift Shop. Sign up sheets for these and other inhouse volunteer opportunities are in the Narthex.

Our Steeple Repair Work is progressing. We are expecting the solar panel materials to be delivered today and weather permitting, installation will begin Monday. We should be up and generating power within a few weeks.

Those who serve: For this Sunday's Worship, Bob Johnson has offered to sing solo and Mike Hennessy is providing rides from local group homes to Worship.

Throughout Rev. Ken's sabbatical, if a pastoral or a health related emergency should occur, Rev. John Van Epps, Susan Christopher and Mellicent Hawke are available for you. Please report all non-urgent pastoral or health related issues to the office.
